Upgrade Course in PTC Mathcad

Course Length	<i>1 day</i>
Prerequisites	<i>Completed course in PTC Mathcad or equivalent.</i>
Goals	<i>Completed course in PTC Mathcad or equivalent.</i>

Course Description

One day of training in PTC Mathcad Prime. This day addresses users who currently use Mathcad Prime, Mathcad 15 or older versions. We have in this day included all new and improved functionality added since Mathcad 15.

We will also cover what needs to be kept in mind when upgrading to Mathcad Prime from version Mathcad 15, the conversion of older Mathcad sheets etc.
